Announce

1953 SUMMER
WORKSHOPS

for

*Teachers, Principals, Supervisors
and Superintendents*

FIRST SUMMER TERM
JUNE 8 - JULY 15, 1953

CURRICULUM CLINICS

Purpose and Organization

For the purpose of helping school systems with the development of courses of study and other curriculum projects, a series of three CURRICULUM CLINICS have been planned for the summer of 1953 at Memphis State College.

School systems are invited to send representatives to one or more of the clinics. Assistance will be provided for individuals or groups to complete work on courses of study already begun, to evaluate work completed, or to design plans for continued work in the area of curriculum development.

Schedule

Clinic I will be held during the period June 10 to June 19; Clinic II will be held June 20 to July 2; Clinic III, July 3 to July 15. Individuals or groups may participate in all three clinics if they so desire. Each clinic will be scheduled from 9:20 to 12:40 daily in the Memphis State College Library.

Credit

Credit will be given for participation on the following basis:

- 3 hours credit for one clinic
- 6 hours credit for two clinics
- 9 hours credit for three clinics.

Participants will register for appropriate courses from the following list:

- For undergraduate credit: Education 351, 352, 461, 462;
- For graduate credit: Education G461, G462, 561, 569, 579.

Staff

Dr. Bascom H. Story will serve as Director of the CURRICULUM CLINICS. Other faculty members at Memphis State College will serve as consultants and resource persons.

THE WORKSHOP READING

Purpose and Organization

Reading Workshop is a reading program. Miss Cobb, Director and psychologist of the faculty, will be in charge of the reading program. The following purposes are:

- To meet the needs of their development.
- To provide a means of diagnosing and to stimulate the reading of the child.
- To offer a means of diagnosing and to stimulate the reading of the child.
- To afford an opportunity for the child to read in their own way, at their own pace, and to read for pleasure.

Schedule

Work sessions will be held weekly—8:30 to 9:00 a.m. in the Main School Building. The sessions will be held in a democratic group in the field of education.

Credit

Participants in the workshop will receive a special credit for their participation in the workshop. For undergraduate students, the credit is 541; for graduate students, the credit is 547. The workshop hours are 8:30 a.m. to 9:00 a.m., Monday through Friday, with a break for lunch. The workshop will be held in the Main School Building, with a break for lunch. The workshop will be held in the Main School Building, with a break for lunch.

Credit

The Workshop for Teachers in the Elementary Grades is open to all experienced teachers who have a minimum of 90 quarter hours. They may register for either graduate or undergraduate credit. Those wanting graduate credit will register for Ed. G429 while those wanting undergraduate credit will register for Ed. 429.

Those who have previously enrolled in the workshop for credit in Ed. 429 or G429 may enroll a second time by registering for 3 hours each in any of the following courses: Education 226, Education 321, or 444, Education 442, Education 443, or Education 446; or in any of the following graduate courses: G443, G442, G444, or G446.

No student will be permitted to enroll for an additional college course while enrolled in the Workshop for Teachers in the Elementary Grades.

Staff

The staff of the Workshop for Teachers in the Elementary Grades will be composed of Mrs. Myrtle Cobb, Director, and Miss Nell Moore, Co-Director. There will be numerous consultants and resource people who will assist the permanent staff in various areas of curriculum development, such as reading, art, music, physical education, etc.

THE WORKSHOP IN THE INTEGRATION OF PHYSICAL EDUCATION, MUSIC, AND CRAFTS

Purpose and Organization

The Workshop in the Integration of Physical Education, Music, and Crafts is designed for

Staff

Dr. Bascom H. Story will serve as Director of the CURRICULUM CLINICS. Other faculty members at Memphis State College will serve as consultants and resource persons.

THE WORKSHOP IN THE READING PROGRAM

Purpose and Organization

Reading Workshop will be conducted for the following purposes:

- To meet the needs of teachers in building their developmental reading programs.
- To provide opportunities for teachers to diagnose the causes of reading difficulties and to study techniques for remedial work.
- To offer supervised practice in applying diagnostic and remedial measures in reading with public school children.
- To afford opportunity for advanced graduate students to carry on research in reading and to participate in critical evaluation of research with other students.

Schedule

Work sessions are scheduled for three hours daily—8:30 to 11:30, Monday through Friday, June 9 through July 15. Work will be carried on in the Memphis State College Training School Building.

Credit

Participants in the workshop should register for Education 448 or G448 for six hours credit, or they may register for three hours credit in any one of the following courses:

For undergraduate credit: Education 446, SS41;

For graduate credit: Education G446, G448, SS41, SS47.

Special problems may be registered for by arrangement with the director.

Staff

Dr. Genora McFaddin will serve as Director of the Workshop in the Reading Program. Miss Muriel Smith will serve as Co-Director and psychological consultant. Members of the faculty and other specialists in the field of reading will serve as resource persons.

THE WORKSHOP FOR TEACHERS IN THE ELEMENTARY GRADES

Purpose and Organization

The Workshop for Teachers in the Elementary Grades is planned for experienced teachers who wish an opportunity to work on their own problems in teaching, to collect materials, and to make plans for the coming school year; or for those who feel the need for the stimulus that comes from working with other teachers who have problems similar to theirs.

The workshop offers a variety of experiences that will help to interpret more adequately all phases of the total elementary school program. Some of these are: participating in "center of interest" groups, practicing democratic group planning, reading new books in the field of education, hearing speakers who have a special contribution to make, taking field trips together, learning from the use of audio-visual aids, solving individual and group problems, and enjoying art, music, folk dancing, etc.

Schedule

Work sessions will begin on Tuesday, June 9, in the cafeteria of the Memphis State College Training School Building. The workshop hours are from 8 a.m. until 2 p.m. daily, Monday through Friday. The term closes on July 15.

Credit

The Workshop for Teachers in the Elementary Grades is open to all experienced teachers who have a minimum of 90 quarter hours. They may register for either graduate or undergraduate credit. Those wanting graduate credit will register for Ed. G429 while those wanting undergraduate credit will register for Ed. 429.

Those who have previously enrolled in the workshop for credit in Ed. 429 or G429 may enroll a second time by registering for 3 hours each in any of the following courses: Education 226, Education 321, or 444, Education 442, Education 443, or Education 446; or in any of the following graduate courses: G443, G442, G444, or G446.

No student will be permitted to enroll for an additional college course while enrolled in the Workshop for Teachers in the Elementary Grades.

Staff

The staff of the Workshop for Teachers in the Elementary Grades will be composed of Mrs. Myrtle Cobb, Director, and Miss Nell Moore, Co-Director. There will be numerous consultants and resource people who will assist the permanent staff in various areas of curriculum development, such as reading, art, music, physical education, etc.
